UNIVERSITY LIBRARY, expanding professional staff for new (628,000 volume capacity) building, ready in May, 1967, invites applications for six new positions, all requiring accredited library training. The first two are senior positions, requiring relevant experi-

ence and background, with salaries depending upon qualifications but not less than \$8,000. (1) Collections Librarian, to be responsible for growth of collections through purchase, gift, and exchange; coordinating selection of books, etc. by faculty and library staff. Needed qualities are administrative and bibliographic abilities, scholarly interests, tact and judgment. (2) Engineering Librarian, to be responsible for Engineering Faculty Library; to supervise Branch staff and work with faculty in selecting materials and devising and implementing systems of information control and retrieval. (3) and (4) Two Reference Librarians (beginning or intermediate), interest in library orientation and/or in book selection in subject areas an asset; starting salaries \$6,000 or \$7,000. (5) and (6) Two Catalogers (beginning or intermediate), one with science-engineering background or experience, other with arts background; starting salaries \$6,000 or \$7,000, with extra allowance for language competencies. Excellent working conditions and fringe benefits; four weeks' vacation; faculty club membership; creative arts activities; hillside campus in pleasant small city. Apply with résumé of education and experience to Dr. Gertrude E. Gunn, Librarian, University of New Brunswick, Fredericton, N.B., Canada.

TECHNION—ISRAEL INSTITUTE OF TECHNOLOGY, HAIFA. Applications are invited for the post of **HEAD LIBRARIAN** for the Central Library of the Technion, Israel's only technological university, directed equally towards research (fundamental and applied) and teaching in engineering, architecture, economics and the exact sciences. It has some 4,000 undergraduate and 1,300 graduate students, and 800 faculty members. It consists of 16 departments, some with branch libraries. The Central Library is beautifully located in a new modern building. It has 100,000 volumes, 5,000 periodicals, a book budget of \$300,000, and a staff of 70. The Head Librarian is a member of the Academic Senate. The salary is that of a full professor, IL 27,000 per annum. Fares to Israel for the appointee and his family and the cost of transporting their personal effects will be paid by the Technion. In addition, retirement pension benefits, subsidised housing, sabbatical leave, book allowance, and an annual travel grant of \$900 for participation in overseas conferences are provided. **QUALIFICATIONS** required for the position are: Academic education in Natural Sciences or Technology; degree of D.L.S., Ph.D. or D.Sc. Preference will be given to holders of M.L.S. or D.L.S. or equivalent. Experience in library administration at an institution of higher learning. Ability to conduct negotiations at a high level with individuals and institutions. Perfect knowledge of English; knowledge of Hebrew desirable. Overseas candidates will be given an opportunity of improving their knowledge of Hebrew. Preference will be given to candidates with a good knowledge of several languages (French, Russian, German). **APPLICATIONS** should be addressed to: The Secretary for Academic Staff, Technion—Israel Institute of Technology, Technion City, Haifa, Israel, by not later than 1st June 1967.
