RTSD SERIALS PRECONFERENCE

"Who's Afraid of Serials?" is the theme for the ALA Resources and Technical Services Division's preconference in Dallas, June 21-22, 1984. It is co-sponsored by both ACRL and the Public Library Association.

The preconference will focus on changes in the field of serials and the impact of those changes on libraries. Major themes will be: 1) the need for clear communication among those who publish, distribute, organize, and use serials; and 2) the urgency of developing and adhering to standards to codify sound practice and to enhance the quality of this communication. The program is directed toward librarians who do not work primarily with serials, but who do work with serials in the course of other assignments.

Registrants are encouraged to apply for ALA hotel space as set forth in the January 1984 issue of *American Libraries*. Registration fees are \$100 for ACRL, RTSD, and PLA members, \$115 for other ALA members, and \$130 for non-ALA members. Registration is limited by available space to not more than 130 attendees. The deadline for registration is June 1, 1984.

For further information, write RTSD Serials Preconference, RTSD/ALA, 50 E. Huron Street, Chicago, IL 60611. ■■

Deadlines: Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g. September 2 for the October issue). Late job listings will be accepted on a space-available basis after the second of the month.

Rates: Classified advertisements are \$4.00 per line for ACRL members, \$5.00 for others. Late job notices are \$10.00 per line for members, \$12.00 for others. Organizations submitting ads will be charged according to their membership status.

Telephone: All telephone orders should be confirmed by a written order mailed to ACRL headquarters as soon as possible. Orders should be accompanied by a typewritten copy of the ad to be used in proofreading. An additional \$10 will be charged for ads taken over the phone (except late job notices or display ads).

Guidelines: For ads which list an application deadline, that date must be no sooner than the last day of the month in which the notice appears (e.g., October 31 for the October issue). All job announcements should include a salary figure. Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms *faculty rank* and *status* vary in meaning among institutions.

JOBLINE: Call (312) 944-6795 for late-breaking job ads for academic and research library positions. A pre-recorded summary of positions listed with the service is revised weekly; each Friday a new tape includes all ads received by 1:00 p.m. the previous day. Each listing submitted will be carried on the recording for two weeks. The charge for each two-week listing is \$30 for ACRL members and \$35 for non-members.

Fast Job Listing Service: A special newsletter for those actively seeking positions. This service lists job postings received at ACRL headquarters four weeks before they appear in *C&RL News*, as well as ads which, because of narrow deadlines, will not appear in *C&RL News*. The cost of a six-month subscription is \$10 for ACRL members and \$15 for non-members.
