New C&RL News Feature

The April issue of *C&RL News* will contain a new column highlighting developments in online services, hardware, networking, and other aspects of the New Technology relevant to academic and research libraries. The format will be similar to the News from the Field column and will contain short summaries of new products, research, information utilities, and software. Please send news items to George M. Eberhart, Editor, *C&RL News*, ACRL/ALA, 50 E. Huron Street, Chicago, IL 60611.
