Automated Serials Check-in
 with your PC

Light years ahead.

A dramatic advance in serials check-in has arrived. MicroLinx is here.

Until now, you've only dreamed of such speed and accuracy. A bar code scanner attached to your personal computer enables MicroLinx to read SISAC and UPC codes, and automatically check in the specific issue you've received. With a growing number of publishers committed to printing these codes, libraries of all sizes can save time with this reliable feature.

MicroLinx also offers easy downloading, predictive check-in and electronic claims transmission through Faxon's global network of libraries and publishers. Additional software modules will soon be available, making this a comprehensive serials management system.

Let MicroLinx check in your journals with the speed of light. Call 800 225-6055 toll free, or 617 329-3350 collect.
