WE APOLOGIZE

for the eccentricity in the mailing of re-
cent *News* issues. A strike at Canadian
paper mills seriously delayed the printing
of the October issue and demolished our
production schedules. We should be back
to normal by January.—The Editors

MCDONNELL DOUGLAS CORPORATION HELPS ST. LOUIS LIBRARIES

Employees of McDonnell Douglas Corporation in St. Louis donated several thousand books to the libraries of nearly forty needy colleges in 1971 and the drive was so successful that it's being repeated this year as a phase of the company's Affirmative Action Program. The schools involved have welcomed the plan and the list of participants has expanded. Idea for you: Check companies in your area for specific needs they can help with: books, phonograph records, volunteer tutors, etc.
