Classified Advertising

NOTICE

Respondents to advertisers offering faculty "rank" and "status" are advised that these terms are ambiguous and should inquire as to benefits involved.

All advertisements submitted by institutions offering positions must include a salary range. The range should provide the applicant with an indication of the salary the institution is willing to provide for the position offered.

All advertisements for the Positions Wanted and the Positions Open classifications will be edited to exclude direct or indirect references to race, creed, color, age, and sex as conditions of employment.

Classified advertising orders and copy, and cancellations, should be addressed to the Advertising Department, 50 East Huron Street, Chicago 60611, and should reach that office before the second of the month preceding publication of issue desired. Copy received after that time may be held for the next issue.

Rate for classified advertising is \$1.25 per printed line. No additional charge is made for nonmember advertising.

A monthly service beginning with Volume 64, No. 1, January 1973.

Subscriptions now being accepted.

The **State Documents Microfiche Collection** will provide in microform most of the documents included in the *Monthly Checklist of State Publications*.

Microfiche will be offered for sale in three categories:

1. Full Subscription to the
Microfiche Collection

This category covers all documents identified by an asterisk in the *Monthly Checklist of State Publications*.

It is estimated that approximately 15,000 documents or serial publications will be filmed and included in this category.

\$.90 per fiche

2. Partial Subscription to the
Microfiche Collection

This category permits libraries to order all identified documents in the *Checklist* either by specified states or major subject categories. The number of documents supplied during the duration of the subscription for this category will depend upon the number and size of the states and of the subjects selected.

\$1.05 per fiche

3. Individual Documents
on Microfiche

This is an "on demand" service whereby libraries and individuals may order any document listed in the *Monthly Checklist*.

Since inventory will be maintained for most filmed documents, orders generally will be fulfilled within twenty-four hours of receipt.

\$1.50 per fiche

Each subscriber to Categories 1 and 2 of the

Microfiche Collection will receive:

- a. A free microfiche reader along with the first shipment of microfiche;
- b. Two complimentary copies

of the *Monthly Checklist of State Publications* with an identifying asterisk (*) preceding the document number to indicate the availability of the document in the **State Documents Microfiche Collection**.

INTERLIBRARY COMMUNICATIONS and INFORMATION NETWORKS

*Joseph Becker,
Editor*

The complete report on the conference on Interlibrary Communications and Information Networks, Airlie House, Warrenton, Virginia, September 28-October 2, 1970.

Sponsored by the United States Office of Education and the American Library Association

Interlibrary Communications and Information Networks presents . . .

- 31 outstanding papers on available and theoretical methods of extending library service capabilities.
- Definitive summary of plenary sessions, working group reports, and recommendations.

Interlibrary Communications and Information Networks confronts five major problems and proposes solutions . . .

1. Is there a true need for a national information network?
2. What are the functions and services best suited to a national network?
3. How rapidly can new technology be applied and used in network operations?
4. How will national networks affect libraries and information centers — socially, legally, and administratively?
5. What can be learned about a proposed national network from existing specialized networks.

Here is a work of lasting value to all librarians and information scientists concerned with the future of information services agencies.
