ACRL seeks nominees for office

Would you like to serve on the ACRL Board of Directors as vice-president/president-elect or seek office in an ACRL section? Would you like to nominate anyone else for one of these positions? If the answer is yes, here is what you need to do.

ACRL Board of Directors

The ACRL Appointments and Nominations Committee will be nominating candidates for ACRL vice-president/president-elect. The election will be held in the spring of 1996 and the winners will hold office beginning in the summer of 1996. If you wish to be considered for nomination or if you would like to submit names for consideration, contact the chair of the committee: Maxine H. Reneker, 437 College Ave., Palo Alto, CA 94306-1525; fax: (408) 656-2842; e-mail: mrener@nps.navy.mil, prior to the ALA Annual Conference in Chicago this June.

Letter

Applause for ACRL's support of ALA Goal 2000

An open letter to the ACRL Board of Directors:

Your action in support of ALA Goal 2000 is truly exceptional. The American Library Association, because of your leadership, will be able to immediately mount a strong policy initiative in support of "fair use" protection in an electronic environment and continued federal funding for academic libraries. You have demonstrated a real commitment to our academic library patrons and an aggressive legislative agenda. You took action at a time when it could make a real difference. I applaud your vision, leadership, and willingness to step up to the challenges we face.—

Carla Stoffle, University of Arizona

ACRL section officers

Candidates for vice-chair/chair-elect of ACRL sections are selected by the Nominating Committee of each section. If you would like to nominate someone or be nominated for VC of an ACRL section, contact the chair of the Nominating Committee for the appropriate section prior to the ALA Annual Conference in Chicago. Other section officers, including secretary and member-at-large, may also be under consideration for this term of office, which will begin in the summer of 1996.
