

## RBMS Exhibition Catalogue Awards

Three annual awards for the best catalogue published by American or Canadian institutions in conjunction with exhibitions of books and/or manuscripts will be granted for the first time in the Spring of 1986. Catalogues published between January 1, 1983, and August 31, 1985, are eligible and must be submitted by September 30, 1985, to the ACRL Rare Books and Manuscripts Section's Committee for Awards for Exhibition Catalogues.

The entries will be divided into three budget categories: expensive, moderately expensive, and inexpensive, based upon the production costs of the catalogue, thereby allowing institutions of similar publishing resources to compete within the same category.

Catalogues may be of varying formats, styles, and scope, but each must represent, either comprehensively or selectively, an exhibition which has taken place. Criteria for selecting the winners will include the level of accuracy and consistency of presentation in the catalogue, its clarity, quality of design and usefulness to the intended audience. The awards will take the form of printed citations to the institutions organizing the exhibitions.

For further information and entry forms, contact Sally Leach, Chair of the RBMS Committee for Awards for Exhibition Catalogues, Harry Ransom Humanities Research Center, P.O. Drawer 7219, Austin, TX 78713. ■■

# THE CLASSIFIED ADS

**Deadlines:** Orders for regular classified advertisements must reach the ACRL office on or before the second of the month preceding publication of the issue (e.g. September 2 for the October issue). Late job listings will be accepted on a space-available basis after the second of the month.

**Rates:** Classified advertisements are \$5.00 per line for ACRL members, \$6.25 for others. Late job notices are \$12.00 per line for members, \$14.00 for others. Organizations submitting ads will be charged according to their membership status.

**Telephone:** All telephone orders should be confirmed by a written order mailed to ACRL headquarters as soon as possible. Orders should be accompanied by a typewritten copy of the ad to be used in proofreading. An additional \$10 will be charged for ads taken over the phone (except late job notices or display ads).

**Guidelines:** For ads which list an application deadline, that date must be no sooner than the 20th day of the month in which the notice appears (e.g., October 20 for the October issue). All job announcements should include a salary figure. Job announcements will be edited to exclude discriminatory references. Applicants should be aware that the terms faculty *rank* and *status* vary in meaning among institutions.

**JOBLINE:** Call (312) 944-6795 for late-breaking job ads for academic and research library positions. A pre-recorded summary of positions listed with the service is revised weekly; each Friday a new tape includes all ads received by 1:00 p.m. the previous day. Each listing submitted will be carried on the recording for two weeks. The charge for each two-week listing is \$30 for ACRL members and \$35 for non-members.

**Fast Job Listing Service:** A special newsletter for those actively seeking positions. This service lists job postings received at ACRL headquarters four weeks before they appear in *C&RL News*, as well as ads which, because of narrow deadlines, will not appear in *C&RL News*. The cost of a six-month subscription is \$10 for ACRL members and \$15 for non-members.

**Contact:** *Classified Advertising Dep't, ACRL, American Library Association, 50 E. Huron St., Chicago, IL 60611; (312) 944-6780.*
