

**David Nolfi**, health sciences librarian at Duquesne University's Gumberg Library, recently became distinguished member in the Academy of Health Information Professionals. The organization is the Medical Library Association's peer-reviewed professional development and career recognition program. Members of the

David Nolfi

academy are credentialed as health information professionals by demonstrating their academic preparation, professional experience, and professional accomplishments. The academy recognizes the personal investment of time and effort required for exemplary professional performance and for contributions to the association and to medical librarianship as a whole.
