college librarian at Wheaton College in Massachusetts for 17 years before joining Bowdoin. In recognition of her dedication to the college, the Bowdoin College Alumni Council presented Bergman with the 2012 Alumni Service Award for Faculty and Staff. Under Bergman's leadership, Bowdoin's Hawthorne-Longfellow Library underwent a \$6.4 million

Sherrie Bergman

renovation (completed in 2005); collections grew to more than 1 million volumes; the George J. Mitchell Department of Special Collections and Archives, and the Bowdoin Digital Commons were established; and the scope of the library's offerings was expanded through shared library catalogs with Colby and Bates colleges, and the Maine InfoNet and NExpress consortia. Active professionally, Bergman's ALA involvement included service as chairperson of ACRL's College Libraries Section; president of ACRL-New England; ALA Councilor; cofounder of the LLAMA Women Administrators Discussion Group;

membership on the Committee on the Status of Women in Librarianship; planning committees for several ACRL conferences; and active participation in the College Library Directors Mentoring Program and the Dr. E. J. Josey Spectrum Scholar Mentor Program.

Cathy Miesse, assistant dean for technical services and outreach, has retired after 27 years of service to the Loyola University-Chicago Libraries. Miesse went to Loyola from Governors State University in July 1985, where she had been reference coordinator. At Loyola she was head of circulation and head of access services before assuming the position of assistant dean in 2006. Miesse is very active in ALA, especially with LLAMA, where she has held prominent positions on several committees. At Loyola she was responsible for the Friends of the Libraries Speaker Series, a mentoring program for new library faculty and staff, and the libraries' annual celebration of faculty scholarship.

Joe L. Storey, associate director and head of Collections Support Services at the St. Mary's College of Maryland Library, has retired after 33 years of service. *~*

of Maryland-College Park. *Access:* <http://dhsi.org/> and <http://mith.umd.edu/dhwi/>.

• **THATCamp.** The Humanities and Technology Camps, described as "unconferences" with no formal agenda or presentations, have exploded across the country and worldwide in the last couple of years. All participants contribute, in a collegial setting, to creating tools, problem-solving, discussing issues, etc.

Camps are usually small, with an average of 75 participants. *Access:* <http://thatcamp.org/>.
