8th International Conference on Web-based Learning (ICWL'09)

August 19-21, 2009, RWTH Aachen University, Aachen, Germany

http://www.hkws.org/events/icwl2009/

ICWL is an annual international conference on web-based learning. Since the first ICWL was held in Hong Kong in 2002, it has been held in Australia (2003), China (2004), Hong Kong (2005), Malaysia (2006), United Kingdom (2007), and China (2008). The 8th ICWL 2009 will be held in Aachen, Germany, a city with rich culture, high-tech research, and a truly European spirit. ICWL 2009 will be jointly organized by Hong Kong Web Society, RWTH Aachen University, and Max-Planck-Institute for Computer Science. The technical program will feature keynote addresses, workshops, tutorials, in addition to presentations of refereed papers. Areas of interest include but are not limited to the following:

- Technology Enhanced Learning
- Web-based Learning for Oriental Languages
- Mobile Learning
- Social Software and Web 2.0 for Technology Enhanced Learning
- Learning Resource Deployment, Organization and Management
- Design, Model and Framework of E-learning Systems
- E-learning Metadata and Standards
- Educational Gaming and Multimedia Storytelling for Learning
- Practice and Experience Sharing
- Pedagogical Issues

Paper Submissions

Authors are invited to submit original papers on research results or novel applications in web-based learning. Papers for submissions should be formatted in single column of no more than 10 pages in single line spacing and in PDF format for review. All accepted papers will appear in the conference proceedings. All accepted full papers presented in the conference will be published as a volume in Springer Lecture Notes in Computer Science (tentative). It is further planned that authors of the best papers will be invited to submit their extended versions for special issues of relevant journals.

Full Paper Submission Deadline: *March 1, 2009*
Workshop Proposal Submission Deadline: *March 1, 2009*
Poster Paper Submission Deadline: *May 1, 2009*
