

## Erratum

---

The Journal wishes to point out an error in the article

“Use of antagonistic rhizobacteria and non-pathogenic *Fusarium oxysporum* for suppression of fusarium root and stem rot of *Cucumis setvins* caused by *Fusarium oxysporum* f. sp. *cucumerinum*”

by

S. Abeysinghe

of

Department of Botany, University of Ruhuna, Matara, Sri Lanka.

([saman@bot.ruh.ac.lk](mailto:saman@bot.ruh.ac.lk))

appeared in the Ruhuna Journal of Science Volume 1, pages 24-31.

The above title should be corrected as follows:

“Use of antagonistic rhizobacteria and non-pathogenic *Fusarium oxysporum* for suppression of fusarium root and stem rot of *Cucumis sativus* caused by *Fusarium oxysporum* f. sp. *cucumerinum*”

The Editorial Board of the Ruhuna Journal of Science apologizes to Dr. S. Abeysinghe and to the readers for any inconvenience.
