In the name of Allah, the most Beneficent and the most Merciful*

*Chief Editor of Proceedings*

*Prof. Saadia S. Alam  
(Chief Editor)*

*The April to June 2023 Edition begins with a stark reminder of the mortality of human life. The sudden, shocking, and untimely passing of our very own Professor Azeem Taj Head of Medicine Shaikh Zayed Medical Complex Lahore has left us all introspecting on the truth of being mortal and finite. Prof Azeem was a good soul, a great academician and splendid physician. May Allah bless his journey to Jannah.*

*On the Proceedings front we have applied for continued HEC Y Category Indexation. Our OJS supported Proceedings website of international standards connects us to the world.*

*Continuing COVID 19 infections despite robust vaccinations globally and in Pakistan tell us of its undeniable persistence and presence on our infectious disease panel. Dengue and monkey pox have once again reared their heads. In these rapidly changing scenarios, we steadfastly publish a diverse April to June 2023 Proceedings articles on medical, surgical and diagnostic disciplines. All articles submitted for publication have been judged on stringent international standards of plagiarism and blind peer reviews.*

*Our Editions have achieved expanded viewership, with researchers in wide ranging medical fields from different institutions publishing their research in Proceedings. Our nexus of undergraduate and postgraduate researchers, supervisors, academicians, and reviewers remains imperative to achieving rigorous standards of research, writing and evaluation in Proceedings. Our desire is to build linkages with top journals and researchers both in the country and abroad  
In Sha Allah.*

*Our Motto "We Venture Forth"*
