Best Reviewer of the May-June 2021 issue - Fitri Fareez Ramli

**Fitri Fareez Ramli**

---

Fitri Fareez Ramli (B.Med, MD, MMedSci) is a lecturer at the Department of Pharmacology, Faculty of Medicine, National University of Malaysia. He was graduated from Gadjah Mada University with his Medical Doctor degree and later worked as a medical doctor in numerous hospitals, including two psychiatric institutions in Malaysia. He joined the current department as a lecturer in 2017 and later enrolled in the Master's Degree in Pharmacology program at the National University of Malaysia. His dissertation was on health-seeking behaviour for erectile dysfunction in

methadone maintenance treatment patients. His research interest spans widely in the pharmacology field, and he has a particular interest in psychopharmacology. He actively writes various articles that are published in various indexed journals and magazines. Currently, he will read his Doctor of Philosophy in Psychiatry at the University of Oxford under the Khazanah-Oxford Centre for Islamic Studies Merdeka Scholarship Program.

“Being a reviewer for *Urology Journal* is an honour, particularly for a young academician as we are allowed to contribute to the society in a way to improve the quality of the scientific publication.”
